

Sarah Craft Healing Client Responsibility Agreement

Holistic, energy-based healing is a very powerful healing art. Certain problems, either physical or emotional, may be alleviated. Sometimes, deep mystical experiences occur, as well as life-changing realizations. It is also possible for suppressed emotions or patterns to be pushed to the surface so that they can be released or resolved, and this process may be uncomfortable. The undersigned agrees to take personal responsibility for whatever physical or emotional symptoms may arise as part of the healing process. In addition, the undersigned acknowledges that Sarah Craft is neither a medical practitioner nor psychotherapist and that any observations she offers are not intended as advice. The undersigned understands that Sarah Craft does not diagnose illness, disease, or other physical or mental disorders and that these healing sessions are not a substitution for a medical examination or diagnosis. Sarah Craft may recommend that I see a physician for any physical or mental issue that I might have, and it is my responsibility to address that issue. I have stated all my known medical conditions and I will keep my practitioner informed of any changes. I also agree there shall be no liability on the practitioner's part should I neglect to do so. _____ (please initial)

I agree that I am responsible to pay for all charges for all services provided at the time of each session. _____ (please initial)

I agree to provide 24 hour cancellation notice. If I fail to do so, I agree to pay the full appointment fee. If I have purchased a package and I fail to provide 24 hour cancellation notice, that session will be counted as a no-show.
